Dear Dr Petrov

14th October, 2025

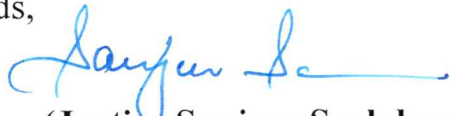

It is with profound gratitude and deep appreciation that I extend my heartfelt thanks for your gracious participation in the International Colloquium, *Evolving Horizons: Navigating Complexity & Innovation in Commercial & Arbitration Law in the Digital World*, held on October 11-12, 2025, at the Brilliant Convention Centre, Indore.

Your journey from Denmark to India to join us is a testament to your commitment to advancing global dialogue on commercial and arbitration law. Your esteemed presence and invaluable insights during the colloquium greatly enriched the discussions, lending a unique perspective that resonated deeply with all attendees. The effort and time you invested in traveling such a distance added immense value, making the event both impactful and memorable.

On behalf of the High Court of Madhya Pradesh & on my behalf, I once again express my sincerest gratitude for your extraordinary contribution. Your participation not only elevated the stature of the colloquium but also fostered a spirit of international collaboration and innovation, leaving an enduring legacy for all involved.

We hope this visit to India was as enriching for you, as your presence was for us, and we look forward to the privilege of welcoming you again in the future.

With utmost respect and warmest regards,

(Justice Sanjeev Sachdeva)

To,

Dr. Petar Petrov
